BACKGROUND:

Dr. Sanders early career was from a farm background, graduating in 1968 as a veterinarian. With Dr. Judy Sanders as a veterinary partner, started a store-front veterinary office in Urbana, Ohio.

In 1974, a veterinary hospital with medical, surgical and laboratory facilities for large and small animals that became the Urbana Veterinary Clinic, Inc. was established and recognized nationally for its innovative design. As their practice grew, so did also Dr. Don's consulting practice in Ohio and throughout the continental United States, Canada, Mexico, Puerto Rico, Colombia S.A., Nicaragua C.A., Russia, South Korea, Ukraine, China, Mongolia and Japan. Dr. Don was also a consultant to the World Bank's International Finance Division. Dr. Judy Sanders administrated the hospital and had an extensive small animal practice until her retirement and untimely death in 2011.
